1. Review and approval.

The compensation of the person is reviewed by a compensation committee comprised of three members of the Executive Committee appointed by the chairman. Provided that persons with conflicts of interest with respect to the compensation arrangement at issue are not involved in this review and approval. The chairman will present the recommendation of the compensation committee to the Board of Governors for approval.

2. Use of data as to comparable compensation.

1 Officer – A person elected or appointed to manage the Organization’s daily operations, such as a president, vice-president, secretary or treasurer. The officers of the Organization are determined by reference to its organizing document, bylaws, or resolutions of its governing body, or as otherwise designated consistent with state law, but at a minimum include those officers required by applicable state law. Include as officers the Organization’s top management official and top financial official (the person who has ultimate responsibility for managing the Organization’s finances).

The compensation of the person is reviewed and approved using data as to comparable compensation for similarly qualified persons in functionally comparable positions at similarly situated organizations.

3. **Contemporaneous documentation and recordkeeping.**

There is contemporaneous documentation and recordkeeping with respect to the deliberations and decisions regarding the compensation arrangement.

**X. ETHICS**

*Policy*

It is essential to the proper operation of NAB that the board of governors, elected officers, committee chairs, vice chairs and members, contractual, salaried, and wage employees be independent and impartial; that no office and/or employment be used for personal or private gain other than remuneration provided in the bylaws, policies, and procedures; and that there be member confidence in the integrity of the association.

The attainment of one or more of these ends is impaired when a conflict exists between the personal and private interests of an officer, committee chair, vice chair, member, or an employee and his/her duties as such. Therefore, the association interests require that it establish appropriate ethical standards with respect to conduct of officers, committee chairs, vice chairs, members and employees (as referenced in the Conflict of Interest Policy) without creating unnecessary barriers to the operations of the association.

It is incumbent upon every officer, committee chair, vice chair, member and employee (contractual or otherwise) to adhere to the policies and the following procedures.

**XI. CONFLICT OF INTEREST POLICY**

This Conflict of Interest Policy of National Association of Long Term Care Administrator Boards: (1) defines conflicts of interest; (2) identifies classes of individuals within the Organization covered by this policy; (3) facilitates disclosure of information that may help identify conflicts of interest; and (4) specifies procedures to be followed in managing conflicts of interest.

A. **Definition of conflicts of interest.**

A conflict of interest arises when a person in a position of authority over the Organization may benefit financially from a decision he or she could make in that capacity, including indirect benefits such as to family members or businesses with which the person is closely associated. This policy is focused upon, but not limited to, material financial interest of, or benefit to, such persons.

B. **Individuals covered.**

Persons covered by this policy are the Organization's officers, board of governors, appointed leadership, committee chairs, vice chairs and standing committee members, chief employed/contract executive and chief employed/contract finance executive.

C. **Facilitation of disclosure.**

Persons covered by this policy will annually disclose or update to the Chairman of the Board of Governors on a form provided by the Organization (refer to Policy Document PO-XI.1) their interests that could give rise to conflicts of interest, such as, but not limited to, a list of family members, substantial business or investment holdings, and other transactions or affiliations with businesses and other organizations or those of family members.
XII. WHISTLEBLOWER POLICY

This Whistleblower Policy of National Association of Long Term Care Administrator Boards: (1) encourages staff and volunteers to come forward with credible information on illegal practices or serious violations of adopted policies of the Organization; (2) specifies that the Organization will protect the person from retaliation; and (3) identifies where such information can be reported.

A. Encouragement of reporting.

The Organization encourages complaints, reports or inquiries about illegal practices or serious violations of the Organization’s policies, including illegal or improper conduct by the Organization itself, by its leadership, or by others on its behalf. Appropriate subjects to raise under this policy would include financial improprieties, accounting or audit matters, ethical violations, or other similar illegal or improper practices or policies. Other subjects on which the Organization has existing complaint mechanisms should be addressed under those mechanisms, such as raising matters of alleged discrimination or harassment via the Organization’s human resources channels, unless those channels are themselves implicated in the wrongdoing. This policy is not intended to provide a means of appeal from outcomes in those other mechanisms.

B. Protection from retaliation.

The Organization prohibits retaliation by or on behalf of the Organization against staff or volunteers for making good faith complaints, reports or inquiries under this policy or for participating in a review or investigation under this policy. This protection extends to those whose allegations are made in good faith but prove to be mistaken. The Organization reserves the right to discipline persons who make bad faith, knowingly false, or vexatious complaints, reports or inquiries or who otherwise abuse this policy.

C. Where to report.

Complaints, reports or inquiries may be made under this policy on a confidential or anonymous basis. They should describe in detail the specific facts demonstrating the basis for the complaints, reports or inquiries. They should be directed to the Organization’s chief employed/contract executive or Chairman of the Board of Governors; if both of those persons are implicated in the complaint, report or inquiry, it should be directed to the Chairman-Elect of the Board of Governors. The Executive Committee will conduct a prompt, discreet, and objective review or investigation. Staff or volunteers must recognize that the Organization may be unable to fully evaluate a vague or general complaint, report or inquiry that is made anonymously.

XIII. MAIL VOTE

Policy

The executive committee may submit questions needing immediate attention to the active members for approval or disapproval by mail ballot. The majority vote of the member states shall decide. Such decisions are binding on the association the same as if made at a duly called meeting.

XIV. COMMUNICATIONS

A. Correspondence

Policy - NAB correspondence shall be handled by the president and CEO as directed by the chairman who is responsible for keeping the membership advised on all matters involving the association. All correspondence to NAB requiring a response is to be answered at the earliest feasible time which shall be within two working days from the date of receipt, except when more time is needed for the collection of required information. The president and CEO supervises maintenance of files on all correspondence.
B. Other Communications

Policy – The Executive Committee will determine other channels for communicating with the membership, e.g. newsletters, website, directory, social media, etc.

1. Social Media: The following policy applies to all individuals who have administrative rights to all NAB social network accounts, which include but are not limited to NAB Twitter, Facebook and LinkedIn accounts. It is NAB’s expectation that all such individuals who participate and/or contribute to our online commentary and posts understand and follow these simple but important guidelines. NAB’s overall goal is simple: to participate online in a respectful, relevant way that protects our reputation and, of course, avoid any instances that could lead to violation of the law. When an individual posts on behalf of the NAB brand, they should keep the following in mind:

   a. Be transparent, honest and professional. NAB does not support inappropriate language or anything that can be perceived as inappropriate behavior (i.e. profanity, cyberbullying, sexual innuendo, provocative images, disregard for or breaking the law, threats or offensive behavior, political stances, or rants). This is not a comprehensive list and is subject to change at any time without warning. NAB expects professionalism at all times.

   b. Never represent NAB in a false or misleading way. All statements must be true and all claims must be substantiated.

   c. Post meaningful, respectful comments — in other words, please, no SPAM and no remarks that are off-topic or offensive.

   d. Understand and follow NAB’s privacy and confidentiality guidelines. It is best to ask permission to publish or report on conversations that are meant to be private or internal to NAB. Make sure such efforts are transparent and do not violate NAB’s privacy, confidentiality, and legal guidelines for external commercial speech.

   e. Stick to areas of expertise when providing a unique perspective on non-confidential activities at NAB.

   f. If there is a situation that is becoming antagonistic, do not get defensive; rather, disengage from the dialogue in a polite manner that reflects well on NAB.

   g. In writing about the competition, it is expected that individuals behave diplomatically, have the facts straight and that they have the appropriate permissions.

   h. Never comment on anything related to legal matters, litigation, or any parties NAB may be in litigation with at any time.

   i. Never participate in social media when the topic being discussed may be considered a crisis situation. Even anonymous comments may be traced back to NAB’s IP address. Refer all social media activity around crisis topics to the President/CEO.

   j. Be smart about protecting yourself, your privacy, and NAB’s confidential information. What is published is widely accessible and will be around for a long time, so consider the content carefully.
k. Media inquiries must be referred to the President/CEO of NAB.

C. Electronic Devices

Policy – The use of recording devices (audio or video) during NAB meetings is prohibited unless prior authorization by the committee chairperson is given. Cell phones brought into meetings must be turned off or placed in a silent or vibrating mode. Other electronic devices should be used in such as manner as not to disturb members in attendance.

XV. JOINT VENTURE POLICY

This Joint Venture Policy of National Association of Long Term Care Administrator Boards requires that the Organization evaluate its participation in joint venture arrangements under Federal tax law and take steps to safeguard the Organization’s exempt status with respect to such arrangements. It applies to any joint ownership or contractual arrangement through which there is an agreement to jointly undertake a specific business enterprise, investment, or exempt-purpose activity as further defined in this policy.

A. Joint ventures or similar arrangements with taxable entities. For purposes of this policy, a joint venture or similar arrangement (or a “venture or arrangement”) means any joint ownership or contractual arrangement through which there is an agreement to jointly undertake a specific business enterprise, investment, or exempt-purpose activity without regard to: (1) whether the Organization controls the venture or arrangement; (2) the legal structure of the venture or arrangement; or (3) whether the venture or arrangement is taxed as a partnership or as an association or corporation for federal income tax purposes. A venture or arrangement is disregarded if it meets both of the following conditions:

(a) 95% or more of the venture’s or arrangement’s income for its tax year ending within the Organization’s tax year is excluded from unrelated business income taxation [including but not limited to: (i) dividends, interest, and annuities; (iii) royalties; (iii) rent from real property and incidental related personal property except to the extent of debt-financing; and (iv) gains or losses from the sale of property]; and

(b) the primary purpose of the Organization’s contribution to, or investment or participation in, the venture or arrangement is the production of income or appreciation of property.

B. Safeguards to ensure exempt status protection. The Organization will: (a) negotiate in its transactions and arrangements with other members of the venture or arrangement such terms and safeguards adequate to ensure that the Organization’s exempt status is protected; and (b) take steps to safeguard the Organization’s exempt status with respect to the venture or arrangement. Some examples of safeguards include:

1. control over the venture or arrangement sufficient to ensure that it furthers the exempt purpose of the organization;

2. requirements that the venture or arrangement gives priority to exempt purposes over maximizing profits for the other participants;

3. that the venture or arrangement not engage in activities that would jeopardize the Organization’s exemption; and

4. that all contracts entered into with the organization be on terms that are arm’s length or more favorable to the Organization.

The logo is made available to NAB accredited Colleges and Universities and by sponsors of NCERS approved programs or NCERS certified and corporate sponsors in good standing in camera-ready, electronic, in color and/or black and white. If academic accreditation, registered or certified sponsor designation, or program approval is not in good standing, the organization agrees to destroy all related promotional materials and cease use of the NAB logo. The logo may not be revised or altered in any way, and must be displayed in the same form as produced by NAB. It may, however, be displayed on different (neutral) backgrounds, so long as those backgrounds do not conflict graphically with the clear appearance, readability and recognition of the logo. Ideally, the logo should be displayed as a black and white positive image against a neutral background. The logo may be displayed in black & white, or in Pantone Matching System (PMS) 8183. No other colors may be used, nor may the logo be displayed on patterned backgrounds (such as polka dots, wavy lines, etc.) that alter its character and message. The logo may be used in a professional manner on the user’s promotional literature, including brochures, company website, or advertisements, or in any other comparable manner to signify the user’s accreditation or approval by the NAB. The logo may never be used independent of the term “NAB Accredited” by NAB accredited colleges and universities or “NCERS Approved” by sponsors of NCERS approved programs and/or NCERS certified or corporate sponsors.

Notwithstanding the foregoing, the logo may not be used in any manner that, in the sole discretion of NAB, discredits NAB or tarnishes its reputation and goodwill; is false or misleading; violates the rights of others; violates any law, regulation, or other public policy; or mischaracterizes the relationship between NAB and the user.

Use of the logo shall create no rights for users in or to the logo or their use beyond the terms and conditions of this limited and revocable license. The logo shall remain at all times the sole and exclusive intellectual property of NAB. NAB shall have the right, from time to time, to request samples of use of the logo from which it may determine compliance with the terms and conditions. Without further notice, NAB reserves the right to prohibit use of the logo if it determines, in its sole discretion, that user’s logo usage, whether willful or negligent, is not in strict accordance with the terms and conditions of this license, otherwise could discredit NAB or tarnish its reputation and goodwill, or the user is not in good standing.
